

BARCELONA CITY PLANNING AND AGRICULTURE

Number of sessions: 30
Length of each session: 1,5 h
Total length of the module: 45 hours

INTRODUCTION TO THE COURSE

This course wants to explain the History and the evolution of the City of Barcelona. The perspective used will be that of Urbanism, Politics and Society. Architecture will be treated during the presentations. As well as studying the evolution of the City of Barcelona students will compare this Mediterranean City to other realities and cities like Madrid, Paris, London, Moscow, New York or Washington DC.

REQUIREMENTS

All classes are taught in English, so one fundamental requirement is the control of the English Language.

CONTENTS

- The Evolution of the City of Barcelona
- Art in Barcelona
- The Evolution of Western Urbanism
- How Cities shape Societies and how Societies plan Cities

GRADING

Mid Term Exam (30%)

This Exam will consist of 60 multiple choice questions. Each question will offer four options of which only one will be correct.

Presentations (50%)

Students are supposed to choose one of the optional readings to give a presentation. The reading will be, more or less, 50 pages long.

Presentations will be given in groups of 4 or 5 students and they will have to coordinate their presentations since they are part of the same book or they are related by topic. Each student will have between 10 and 15 minutes to explain to classmates the following elements in the text:

- Introduction to the topic
- Basic ideas of the text
- Development of some ideas of the text
- Conclusions

At the end of all the presentations the group of students will lead a debate based on their own conclusions and questions after reading the different texts.

No paper is required but a PowerPoint is highly recommendable in order to stress the most important elements of the texts explained.

The evaluation of this part will be divided as follows:

- 20% personal presentation
- 20% debate and session
- 10% participation in debates and questions of other groups

Final Exam (20%)

This exam will consist of two questions to answer only one in one page front and back.

Class notes and sources are allowed in this class being necessary to cite all the sources to write a short essay of one/two page front and back. This exam requires Conclusions where the students will give their perspective on the topic treated using sources.
