- ✓ **Assignments.**
- ✓ **Tests.** During the course some of the exercises will be rated: Reading comprehension, listening comprehension and written expression.

Students will be tested twice during the course: prior to the mid-term and during the second part of the course. These tests will be conducted as class exercises and not as partial exams, that is with no prior notification.

### ✓ **Professor's Evaluation**

Evaluation of the learning progression, participation in class and attendance.

**By the middle of the course, there will be a mid-term report with information from the first part of the course. These reports will be delivered to students and will be discussed individually in personal tutorials that will take place during class hours.**
